i can only get a hour of sleep every night. no one seems to notice tho. either that or they dont care. lucas is too busy with max and mikes busy with el. dustin barley says anything anymore. so much for going crazy together right?

theyre starting to notice. max said that i looked like ive lost a lot of weight. i mean shes not wrong. but then dustin said i looked tired which led to lucas saying ive been sleeping in class. now mike acts like he cares. what a joke.
